Dear Terri:

On behalf of the American Heart Association, I would like to thank you once again for being our keynote speaker at the Search Your Heart Goes Red in Long Island event on January 25, 2008.

Many of the attendees at the event had positive comments about your presentation, even the photographer!! Your message was important to this group not only for themselves but because many are providing health messages forward to their membership.

I truly enjoyed being in your presence. I look forward to the opportunity to have you provide your powerful and inspiring thoughts again.....

Sincerely,

Gladys Ayala-Borjas
